Open Discussion on Agenda items:

1. Board Structure
 - a. What happens if the club doesn't like the job that someone on the board is doing?
 - i. The board would ideally recognize that the individual is doing a poor job and vote the board member in question out.
 - ii. If the board didn't recognize the need for removal, the club members would bring it to the board and the board would then vote on removal of the board member.
2. Maennerchor
 - a. Field Liability Insurance
 - i. DRFC insurance is through USA Rugby
 - ii. Chor's liability insurance is most likely through the bar.
 - iii. DRFC has never asked to see the Chor's COI and we should do so.
